

# OPERATION: AGAPE

## 40 Days With Jesus

### IMPORTANT MESSAGE FROM HEADQUARTERS

#### Lesson 6: The Mission Begins

To all Agents,

I can't tell you how proud that I am to be able to call you that... you are now full-fledged Agents. This is what all of the training has been for, and I know that this is what you have been looking forward to. Each day this week you will be on your own to accomplish your daily missions. They aren't hard, and each only takes a couple of minutes to do.

I want you to remember three things as you set out this week: FIRST that you are representing Jesus in each mission that you are given. SECOND, that we are sending you out in His authority, just like He sent out the Disciples. And, THIRD, that each assignment needs to be done with humility and love – that means no bragging about what you're doing. If someone asks, go ahead and tell them that you are doing this because you want your friends to know that Jesus loves them!

OK... you are no longer recruits. You are Agents. Go out and make us proud! And remember, it's all...

For the King and His Kingdom,

Sincerely,

Horatio Witherspoon  
Director of Secret Operations  
and Agent Training Supervisor
